Greetings Longhorns!

First of all, congratulations on making the decision to be a part of the LHS Band Program. Here at Lennard, we provide a variety of musical opportunities including Marching Band, Concert Band, Jazz Band, and Color Guard. These ensembles provide students with an unforgettable experience that will inevitably develop them into confident, dedicated, and committed young people. It is without a doubt that the benefits of participating in this program will follow you long after you graduate.

With this being my second year here at Lennard, I am already so excited for all that we will get to accomplish this school year. From the marching band production to making great music together, I am confident that this year will be one to remember. There will be times where the going gets rough, but with great teamwork, even greater things will come!

Please keep this handbook to help you refer to its contents every now and then. It is intended to be a useful source of information and to help answer questions as they arise. Communication is dire to the success of our program, so feel free to contact me with any questions, comments, or concerns.

Again, this is going to be a great year as we get yet another opportunity to make memories with one another. I look forward to working with each and everyone of you!

Musically,

Ms. Coral Navarre

Director of Instrumental Studies

Earl J Lennard High School

Longhorn Band Expectations and Basic Principles

Respect Yourself

Here in the LHS Band program, we take great pride in what we learn and accomplish each and every day. This includes taking the time to prepare appropriately for each rehearsal and performance. By respecting yourself, you are able to improve and become a better member each and every day.

Respect Your Facilities

As a member of the LHS Band program, you are given access to many facilities and materials on our campus as well as others. We will always treat our instruments with the utmost of care and leave any space cleaner than how we have found it. By respecting our facilities, we as a team will operate smoothly.

Respect Your Peers

The previous two rules go hand-in-hand towards respecting your peers. As a band program, we are constantly working alongside one another to put together a well-presented product. As a member of the LHS Band program, you will respect your peers by showing up to rehearsals punctually and prepared, as well as treating others as you wish to be treated. By respecting your peers, everyone will be able to work close together as a team.

As a Member of the Longhorn Band, I...

- Am an integral part of the program
- Hold a valuable place in the ensemble that I am in.
- Am responsible for my behavior and the results of that behavior
- Will push through any challenge, big or small.
- Will put forth my 110% effort every day.
- Will show up prepared for all rehearsals.
- Will strive for musical excellence through individual and group performance and commitment.
- Will develop character, leadership, and professionalism through the maintenance of high moral standards, discipline, and teamwork.

Ensembles

Longhorn Marching Band

As the largest and most visible ensemble of the band program, the Longhorn Marching Band performs at every home football game and select away games, providing in-game spirit and support for the football team, as well as performing an exciting Halftime show. The ensemble also performs annually at the Florida Bandmasters Association Marching Music Performance Assessment (MPA), where they have received a Superior rating for the past two years. This ensemble is comprised of EVERY student in the band program. Students rehearse during marching season both in class, and in mandatory after-school rehearsals.

Concert Band

Lennard's Concert Band is composed of both wind and percussion students. This ensemble performs in on-campus concerts throughout the year as well as at the annual Concert MPA in the spring semester. While most rehearsal is done during class time, there are some after-school rehearsals to allow for the full ensemble to rehearse together.

Jazz Band

Much smaller than the Concert Band, the LHS Jazz Band is composed of select jazz instruments. Students in this ensemble must have been in the band program for at least one year, and are required to participate in Concert Band.

Color Guard

The Color Guard serves as the primary visual component to the marching band by incorporating elements of dance, flag, rifle, saber, and other additional props. Members perform with the marching band during the fall and compete as part of the Florida Federation of Colorguards Circuit in the spring.

Attendance & Grading Policy

ATTENDANCE at all rehearsals, performances, etc. is REQUIRED. Band is a Co-Curricular subject in Hillsborough County - this is very different from an extra-curricular subject.

Attendance at all band functions will be an enormous part of each student's grade in band. This packet exists and is distributed very early on to allow for ample planning time. Parents, if you plan to schedule an out of town vacation or doctor's appointment, please check the band calendar as to not schedule these during a rehearsal or performance. It is important to notify Ms. Navarre at the beginning of the year of any vacations or appointments.

Your consistent and timely attendance is directly related to the success of the band program. Each absence results in loss of practice, information, changes, new drill spots, etc. When a student misses a rehearsal, they pose a danger to themselves and those around them. It is because of this that the director reserves the right to prohibit any student from performing if they have missed any number of rehearsals for any reason and to determine the effect this decision will have on their grade.

Grade Breakdown and Point Values

The majority of students' grades are participation based. If a student is in attendance and actively engaged, they will receive full credit. Students who are not actively engaged and/or are tardy/leave early will receive half credit. This includes participation during normal class time. Attendance is recorded every event by student leaders and the director.

Students' grades are broken down by the following:

Performances and Concerts	500 points each
Football Games	350 points each
Rehearsals	200 points each
Weekly Class Participation	100 points per week

Reminder: all information contained in this packet is subject to change at the discretion of the director.

Excusal Policy

We understand that life happens and things can get in the way. The **PARENT** must notify Ms. Navarre as far **IN ADVANCE** as possible if a student is to miss a rehearsal or performance by:

- E-mailing Ms. Navarre with the date and reason for absence(and/or message in Canvas)
- Submitting an Absence Form on the Band Website. www.lennardmusic.com

Music Performance Assessment(MPA) Performance, Winter/Spring Concerts

These performances are the equivalent to a class's End of Year Exam. You should treat this as one of the most important events for the band, alongside the concerts. It is expected that you can perform. If you cannot attend these events, a formal email must be sent **to the director as soon as the concern arises**. Additionally, a typed letter, signed by your parent/guardian, is to be submitted. If no notice is sent, then the student's grade will be directly affected.

An Absence will fall under (1) of (3) categories:

1. PERMITTED: Advance must be given at least 10 school days in advance

Applicable reasons: LHS-Sanctioned activity(Field trip, sports, etc)

Student will not lose points for the activity/event

Note: A permitted absence may not be granted for a day in which the band gives a public performance.

2. EXCUSED: Reasons: Family emergency or illness.

Ms. Navarre must receive notification within 2 days of returning to school.

Student loses points for the activity/event; make-up is allowed

3. UNEXCUSED: Reasons: Any absence, which is not permitted or excused.

Student loses points for the activity/event; no make-up is allowed.

Things that are NOT excusable and will count against a student's grade include but are not limited to:

- Work
- Tutoring/Studying

- Family get-togethers, dinners, birthday parties, and other events
- A friend visiting from out of town

Consequences for Absences

1. The first unexcused absence to a rehearsal(outside of school hours) will result in losing points for that rehearsal as well as third quarter privileges for that Friday’s football game.
2. The second unexcused absence will result in loss of points for that rehearsal and being benched from performing at that week’s Friday football game.
3. Missing a Thursday rehearsal will automatically have you benched for that Friday’s football game.

A benched person must attend all band functions, sit in the stands and play in uniform, or points will be deducted for that performance.

Please understand that rehearsals and performances are the same as exams in other classes. Since there is no way to “make up” these events, **missing a rehearsal or performance is equivalent to not taking an exam and receiving a zero as a grade.** However, **ANY** outside rehearsal or performance missed for an **acceptable** reason must be made up by completing an assignment approved by Ms. Navarre. **FAILURE TO MAKE UP AN ABSENCE WILL RESULT IN LOWERING OF THE BAND GRADE.**

Tardy Policy

TARDINESS will not be tolerated. Tardies cause delays in time schedules and are discourteous and irritating to your fellow instrumental members who have to wait for you. All tardies are unexcused unless excused by valid reasons or a written pass. The procedure for tardies is the same as that for absences

1. EXCUSED - Student does not lose points.
2. UNEXCUSED - Student loses 1/3 of points for the activity/event; no makeups.

UNACCEPTABLE EXCUSES

Excuse	Solution
“Had to work”	Make arrangements with your employer early
“Couldn’t get a ride”	Be proactive. Communicate with your family and Section Leader.

“Didn’t know about it”	Be responsible. You have been given advance notice.
“Parents leaving town”	Be responsible. Clear your schedule in advance.
“Parents made me stay home to work/study/babysit”	Attendance is required! This is a co-curricular graded class. Be proactive and communicate.
“Had an appointment”	Be proactive. Do not schedule appointments during a band event.
“I’m grounded”	Be responsible. This is a co-curricular class and attendance is a part of your grade.

FAILURE TO MAKE UP AN ABSENCE WILL RESULT IN LOWERING THE GRADE

Students are NOT to pick and choose the band events in which they participate. If the band/guard rehearses or performs, **everyone** is to be there **every time!** Conflicts with other activities (i.e. sports practice or other school related activities) are to be resolved as far in advance as possible, NOT the day of the event.

Rain does not cancel a rehearsal or performance. In the case of inclement weather, always report to the band room unless otherwise stated.

Performance takes precedence over practice concerning another school activity(i.e. Concert on the same day of a sports practice; soccer game on the same day as band rehearsal).

Academic Eligibility/Commitment to program

In order to participate in band activities, a band student must maintain a cumulative GPA of 2.0 or higher. A student must be in attendance at school at least a ½ day on the day of, or the last day before a performance. A student must attend the last rehearsal before a performance in order to be eligible to perform. Ineligible students are to attend band rehearsals and take rehearsal notes, or do alternate work, as approved by the Director. They are to attend performances, sit in the stands, and help with equipment. They may not participate in performances.

Progress Monitoring

One of the greatest morals that is learned in band is that of holding high standards, both in and out of music. Students are expected to be on top of their academics and always try their best in the classroom. Once each semester, students are to fill out a progress report that lists their current grades in each class, signed by the respective teacher. If a student's grade were to fall below a "D" in a class, they are then put on Academic Probation. While on Academic Probation, a student will not be allowed to participate in after-school rehearsals until their grade is to improve. Once their grade reaches the appropriate level, they can resume participation in rehearsal.

Discipline Policy

Here in the LHS Band Program, we take great pride in how we conduct ourselves in and out of the classroom. It is widely known that our members demonstrate great behavior in other classes, as we are constantly setting an example for our program. Skipping is STRICTLY prohibited in the program. Be on time and be present.

If a student were to receive ANY disciplinary measure from the school administration, the appropriate action will be as follows:

- Referral/Detention/ISS: Student is expected to attend rehearsals, but is not allowed to participate. Length of probation is determined on length of discipline. Ex: 1-day ISS = 1 rehearsal out.
 - For each rehearsal, the student must type a 500-word summary about what was learned at that rehearsal.
- Off Campus Suspension(OSS): If a student were to receive OSS, they are not allowed to attend after-school rehearsals/activities for the length of their suspension. This includes Football games, MPA's, and concerts. Make-up work will be discussed on a case-by-case basis.

If there are any concerns about the above reasons, or a potential absence for a reason not listed above, it will be communicated with the director on a case-by-case basis.

School-Owned Instruments

All Students that are using a School-Owned instrument must sign a contract for each instrument that is used. Additionally, a one-time rental fee is required. This contract makes everyone aware that the student and parent(s) are responsible for the instrument for the school year; this includes any damage or theft that may occur. Students are responsible for keeping these instruments in proper playing condition and to purchase all necessary accessories for the instrument's proper maintenance. **This year's instrument rental fee is \$42.80.** All payments from instrument rental go directly toward needs such as instrument repair and the purchasing of additional materials(i.e. Reeds, mouthpieces, etc).

Band Dues

All students are responsible for annual band dues that go towards the general expenses of the band. Dues can either be paid in full, or paid over the pre-set payment plan. If you require a specialized payment plan, please speak with Ms. Navarre ASAP.

Fundraisers

The quality of instruments and student education are heavily relied on the fundraisers that are held throughout the year. Though not required, all students are expected to participate in fundraisers. **Participation in fundraisers is strongly recommended!**

Marching Band Uniforms

Our uniform shows our pride for our school, as well as unites each individual to one another. Along with providing us a clean-cut professional look, they add a measure of class and respect to our organization.

Students are to purchase their own black marching shoes either through the Boosters or individually. One pair of gloves will be provided. Students may purchase their own pair of gloves if they wish.

There are different parts to the uniform and each should be given equal amount of care. Please read below the specifics for what is required for our uniform.

Additional Performance Opportunities

Solo and Ensemble

Solo and Ensemble is an opportunity for individual growth and development in music. Students prepare a solo on their instrument. There are piano accompaniments that go along with these solos. Students are responsible for learning their solo and can be practiced with Smart Music or Youtube at home. The accompaniment will follow you. This will give you an advantage over practicing without the piano part. For the actual performance at solo and ensemble, students can choose to play with a live accompanist or the Smart Music computer. There may be a small fee for the piano accompaniment for which students will be responsible.

Students perform for a judge from the Florida Bandmasters Association, who will give the student feedback. Students can also participate in ensembles, where they play with other students in a small group. The types of groups vary, and have all different numbers and mixes of instruments. Students may participate in up to **FOUR** events at solo and ensemble. Students are responsible for the entry fee/accompanist payments.

If a student receives a rating of a “Superior” at district on a grade 5 piece of literature or higher, they may opt to participate in state-level solo and ensemble. This is typically held around spring break each year. College professors serve as the judges, and student expectations are much more rigorous. Performing at state solo and ensemble is quite an honor, and students should be thoroughly prepared when facing an expert on their instrument. Students must be well prepared for this event. The Director reserves the right to deny unprepared students from participating. Doing well at District and State solo and ensemble can be used to set you apart in college and job applications.

You must select a piece of music from the FBA Solo & Ensemble Music List. These pieces are divided by Grade Level (Ability Levels 1-7). Please see Ms. Navarre if you have a question of which Grade Level you should play. This music list will be posted on Canvas.

All-County Honor Band

The Hillsborough County All-County Band is a great individual honor for students, as well as for the Band Program here at Alonso.

Students complete a live audition for judges behind a screen. Selected students then attend rehearsals in January for the All-County Honor Band, and perform a concert. Experienced artists from other parts of the state and country are flown in to work with our students for three days. The director reserves the right to deny unprepared students from participating in the audition process. Students can be pulled from the All-County experience by the director at any time based on rule/behavioral infractions as explained in previous sections of this handbook. Students are responsible for the entry fee.

All-State Band

The All-State band is the highest honor in the Florida Bandmasters Association.

This is a VERY prestigious group, and takes great amounts of practice, preparation, and discipline to be selected. Students must have their auditions recorded at a live site. Music requirements are posted on the Florida Bandmasters Association website and given out by the band Director at the end of the school year for the following year.

Students selected participate in rehearsals at the annual Florida Music Educators' Association annual convention, here in Tampa. Prestigious conductors are flown in from around the globe to work with students for four days.

Students selected are responsible for transportation to and from the convention center, convention, registration fees, and must have a chaperone with them. Directors are required to be at the convention, and will check in on students in rehearsals periodically. The Director reserves the right to deny unprepared students from auditioning. Students who make the band but do not attend rehearsals/performances as expected will be denied the opportunity to audition in the future, audition for leadership, audition for wind ensemble, and be given a grade deduction.

USF HOT Day

This is a performance where students are able to participate and rehearse alongside the USF Herd of Thunder Marching Band. Students will be provided with lunch, admission into the college football game, and a t-shirt for performance. This performance happens in late-September with registration being due around late-August. Details will be shared in class in August.

Festival Performances (Tri-State, Festival of Winds, Knights Rising, etc)

These events are fantastic opportunities for students that wish to challenge themselves musically outside of our program. If selected for a festival, students get to rehearse with highly-qualified clinicians at some of the top universities in the state alongside other high school students. Please see Ms. Navarre if interested in participating.

Travel Policies

The LHS Longhorn Band band travels frequently during the year, in county, and out-of-county. Trip fees pay the cost of transportation and lodging. In the event of an overnight trip, a detailed itinerary will be distributed to all students and parents. All Hillsborough County, Lennard High School, and Longhorn Band policies are in effect for the duration of the trip. We will be representing ourselves, the Longhorn Band, Lennard High School, the city of Ruskin, Hillsborough County, and the State of Florida whenever we travel; we will all do our best to maintain the highest of standards.

In the case that parents wish to take their student home from an event, a release form **MUST** be signed and returned to Ms. Navarre by the designated date. Failure to turn in a signed form will require your student to travel home with the band.

Not all events will allow for students to travel home separately from the band. An announcement will be made by Ms. Navarre on whether or not sign-outs are allowed prior to the week of the event.

Lennard High School Band Boosters

All parents and interested adults are invited to become a member of the Band Boosters. If we are to become an integral part of the community, we must have parent and community support. This is our parent's opportunity to become directly involved with their student's high school career. Regular meetings are scheduled on **the 1st Thursday of every month**. Please join and support your students.

Cuttime

The LHS Band will be using a parent/student information system called CutTime. This system is for current band/colorguard students and their parents. A more detailed explanation can be found in Canvas.

How to Access Parent/Student Information In CutTime:

1. Open invite email from info@cuttime.net (if you did not receive an invite, check junk/spam first)
2. Click on "Get Started with CutTime" then create a username and password
3. Click on "Ok, Let's Go"

Review all data already entered and correct if needed. Please use an email address you check often. Online payments for your student's account will be available shortly.
